PROFILE SUMMARY

- iOS Developer with 1.5 years of hands-on experience including internship and full-time roles.
- Skilled in UIKit, Flutter, Firebase, and Git.
- Strong client communication abilities with experience in handling end-to-end project requirements.
- Focused on writing clean, maintainable code, ensuring performance optimization, and delivering production-ready applications.

SKILLS

- iOS Development: Proficient in Swift & UIKit for scalable, responsive apps.
- SwiftUI: Experience with declarative UI design and modern iOS interfaces.
- Xcode & Debugging: Skilled in using Xcode tools for building, profiling, and debugging iOS apps.
- Teamwork: Experienced in agile environments and direct client communication.
- Git: Version control and collaborative development across teams.
- REST APIs: Integrated external APIs to fetch and display real-time data in apps.
- Firebase: Integrated for auth, real-time data, and push notifications.
- Flutter: Cross-platform development for iOS and Android.

PROFESSIONAL EXPERIENCE

iOS Developer | Sept 2024 - Present

Elluminati Ventures, Rajkot, India

- Developed and maintained 15+ production-level iOS apps with 10,000+ users.
- Coordinated with team and clients weekly to define and prioritize app features.
- Reduced crash rate by 30% through systematic testing and early bug fixes.
- Integrated Firebase for real-time notifications serving 8,000+ active users.
- Improved app load time by 25% via image, memory, and code optimization.
- Managed Git workflows and contributed 100+ commits across multiple releases.
- Authored documentation for 3 internal modules to support onboarding and scaling.
- Participated in code reviews and team discussions to improve overall codebase quality.

iOS Developer Intern | Jan 2024 - Aug 2024

Elluminati Ventures, Rajkot, India

- Built UI screens for 2 major modules using SwiftUI and UIKit.
- Integrated RESTful APIs to display live data, cutting manual updates by 90%.
- Tested app on 10+ devices and iOS versions using Xcode simulators.
- Helped reduce development time by 15% via reusable, widget-based layouts.
- Reviewed 30+ pull requests and improved code quality through mentorship.
- Collaborated with senior developers to understand best practices in iOS development.
- Participated in daily stand-ups and sprint planning to align with team goals.

EDUCATION

RK University | 2021-2025

Bachelor of Technology in Computer Engineering

- CGPA: 8.78
- Key Subjects: App Development, Software Engineering, Data Structures
- Active participant in technical hackathons and project exhibitions
